

Dear Parents,
Greetings from OPBMS!

We are delighted to share that by God's grace, after going through turbulent times of covid era, we will begin our new session 2022-23 from Monday, April 04, 2022. As we step into the new Academic Session with our eyes set at the zenith of success and glory, we highly appreciate your support and cooperation, and we look forward to working with all of you and reach for newer academic heights.

Below are some of the directives to be taken care of to ensure the smooth flow of schooling:

Regular schooling:

New session for classes commences from **Monday, April 07, 2022.**

- Timings from Monday to Friday will be 8:00 am to 1:50 pm.
- Saturday timings will be 8:00 am to 12:50 pm.
- Second Saturday of every month will be an off.

Uniform:

- The school uniform is available in the market of Mandi Gobindgarh, Sirhind as well as Khanna.
- All the students must come in uniform from **April 07, 2022.**
- I-card to be worn daily.
- Kindly go through school diary as well as school website www.opbms.in for all the specific instructions and information regarding school uniform.

Stationery/Books:

- Book list is available on our school website www.opbms.in and school does not recommend any book seller for the purchase of stationary/books.

School Diary:

- The school diary will be given to your child in the 1st week of regular schooling.
- It is mandatory for students to carry it to school and maintain it regularly.
- Students Personal Record given on Pg. no.1 of the school diary is to be filled by parents themselves in legible handwriting and one copy of the same must be submitted to the respective Class Incharge.
- Pages referring to medical information of the child must be filled carefully and mention the name and address of your personal doctor if in case of emergency school needs to contact.
- Diary must be thoroughly read by the child as well as parents and the page referring to as **Declaration by Parents** must be signed by parents and submitted to respective Class In charge.

Attendance:

- We highly appreciate the regularity in attendance to achieve the desired learning goals.
- 80% attendance is a must for a student to be promoted to next class.

Leave:

- Leave has to be applied on School Mobile App.
- In case leave is sought on medical grounds, medical certificate should be submitted by a qualified medical practitioner (not below the rank of MBBS)

Birthday Celebrations:

- You can send a packet of candies if you desire so, to be distributed by your child in the class. There is no other way of celebrating Birthdays approved by the school. No requests will be entertained in this regard.
- It is mandatory to be in school uniform even for the birthday celebrations.

Nutritious Tiffin

- No junk food but a nutritious tiffin along with a napkin should be sent. Do ensure that the child's tiffin and bottle are cleaned regularly.

Highlights of Curriculum

- **Competency based education:** Classroom transactions will be based on Competency Based Learning. The aim is to help the students learn through experience and activity than through rote learning and memorization. The focus will be on key concepts, ideas, application and problem solving with greater depth.

- **Experiential learning:** Experiential Learning is the primary mode of teaching-learning process at OPBMS. Hands-on learning, art integration, technology integration and sports integration will be essential components of innovative pedagogical practices.
- **Art integration activities:** Art Integrated Learning (AIL) is a teaching-learning model which is based on learning ‘through the arts’ and ‘with the arts’: it is a process where art becomes the medium of teaching-learning, a key to understanding concepts within any subject of the curriculum.
- **21st century skills (Critical thinking, creativity, communication and collaborative learning):** A broad set of knowledge, skills, work habits, and character traits that are believed to be critically important to achieve success in today’s world include - Creative, Critical, Collaborative and Communication skills which will be reflected in the method of teaching –learning.

Extra Edge:

- **Mental Ability Testing (MAT):** To help the students prepare in a better way for competitive exams and have an edge over others in future.
- **Mathematical Skills:** Students will be given exposure to Abacus, Vedic Maths and hands on experience in **NIIT maths lab** to sharpen their mathematical skills.
- **Foreign Language:** Students can study French language as an optional subject at school.
- **STEM (Science, Technology, Engineering and Mathematics):** Visit to **Atal Tinkering Lab(ATL)**, Science and Computer laboratories will be a regular features to foster curiosity, creativity and imagination in young minds and inculcate skills such as design mindset, computational thinking, adaptive learning, physical computing etc.
- **Health and Physical Education:** Sports is an important aspect of education at OPBMS. We aim to keep our students physically and emotionally fit to handle the challenges of life in a better way. A complete sports syllabus is planned and will be delivered for a holistic and healthy lifestyle.
- **NTSE :** Students will be given exposure about National Talent Search Examination (NTSE) under the guidance of experts which helps them to achieve their goal.
- **Olympiads:** Students will be able to enhance their skills by participating in various Olympiad Examination like International Science Olympiad (ISO), International Maths Olympiad (IMO), English International Olympiad (EIO), General Knowledge International Olympiad (GKIO), International Computer Olympiad (ICO), held at school.
