

Dear Parents,  
Greetings from OPBMS!

Students are excited and exuberant for the upcoming school event **“The Annual Sports Day 2022”**.

The whole school is pepped up for November 13, 2022 and we are sure that the Peppy and Sparky ambience and hard work of our students will take your heart away.

Although number of sports activities are being done during school and showcasing all of them on the very same day is not feasible. Therefore, we will be holding Pre-decided and semifinal events prior to Sports Day i.e. in the first week of November. Kindly ensure your child's presence on the same day as the event will not be conducted again. “

We know that parents of little ones are always keen to see their children performing in such activities. So you are invited to come and enjoy the activities as per the following schedule.
