

***It's the little things citizens do. That's what will make the difference. My little thing is planting trees." - Wangari Maathai***

Dear Parents  
Greetings from OPBMS!

The importance of tree plantation in preserving biodiversity and balancing the ecosystem cannot be overstated. It is in this direction, a mandatory tree plantation activity, **Mission Hariyali-2023**, has been initiated by Apna Punjab Foundation and Federation of Private Schools and Associations of Punjab.

Each student should plant a tree sapling of his/ her choice under the guidance of his/ her parents. The sapling should be planted at a place of convenience so that it can be looked after appropriately till it grows independent. Also, while planting, kindly click a photo of all the members of the family involved in the planting process and submit at the given link.

[https://punjabfap.com/hariyali\\_certificate/jagjit-singh-318/1](https://punjabfap.com/hariyali_certificate/jagjit-singh-318/1)

A certificate will be generated to acknowledge your contribution towards the environmental cause. Also share this photo with your respective class incharges on whatsapp latest by July 16, 2023.

We are confident that with your support and cooperation, this tree plantation initiative will be a great success.

Warm regards
