

Dear Parents

Greetings from team OPBMS!

Health is Wealth! Regardless of whichever continent we belong to, we are witnessing receding health standards in today's life. There are so many aspects which we generally neglect. So here we are, extending our healing arms to you.

RIMT Multispecialty Hospital stands as a beacon of exceptional care in the heart of Mandi Gobindgarh city, providing the world class medical services and expertise. Our state-of-the-art facilities, combined with a team of dedicated healthcare professionals, provide the utmost care and support. Your health matters to us and at RIMT, we are continuously evolving to meet the changing healthcare needs of individuals and communities, striving to deliver comprehensive, compassionate, and quality care to improve patients' health and well-being. We firmly believe that quality healthcare should be accessible and affordable to everyone. Let us step up together and take absolute advantage of RIMT Multispecialty Hospital's social endeavor of providing: -

- Blood Banks
- Blood and urine tests
- CT scans
- Ultrasound and X-rays

Free consultations in Pediatrics, Gynecology, General Surgery, Internal Medicine, Orthopedics, Urology, and Dental. In addition to the free consultations, free camps will be organized for the patients on every Thursday and Saturday. Here Blood Centre (bank) services are also ready and operational 24x7.

So don't allow medical expenses to hinder your commitment in prioritizing your health. Visit RIMT Multispecialty Hospital today and take advantage of our free diagnostic services and consultations if you are looking for affordable and high-quality healthcare services. We deeply value your participation in this holistic mission.
