

Dear Parents

Greetings from team OPBMS!

I am pleased to share that in order to bring cultural and aesthetic awareness amongst students, OPBMS Heritage Club has collaborated with SPIC MACAY Heritage Clubs.

SPIC MACAY is a non-profit voluntary movement which is working for the promotion of Indian Classical Music, Arts and Culture through Concerts, Workshops, Film Screenings featuring some of the greatest Gurus of our rich heritage and other related activities.

I am confident that this association will instill a sense of pride and appreciation for our cultural legacy amongst all the stakeholders.

Warm regards
