Dear Parents

OPBMS has always been proactively associated with organizations involved in service to the society.

All of us are well aware of the fact that our Armed Forces have distinguished themselves by displaying a very high degree of professionalism and dedication in the face of very grave challenges. Many brave and gallant heroes from the Armed Forces have laid down their lives defending the country in the past. A large numbers of service personnel have become disabled imposing severe handicaps on their capacity to maintain themselves and to support their families. Therefore, it is our duty to do our very best for them by contributing generously towards Flag Day Fund for which your whole-hearted co-operation is solicited. Contributions received are used for the families of Soldiers killed in battle, disabled and needy ex-servicemen and their families who are unable to earn their livelihood and are not drawing any pension.

You can contribute to this noble cause with voluntary donation to support families of Physically Challenged Army Soldiers and Martyrs.

You are requested to contribute towards the cause generously. The contribution to be submitted to the respected class teachers by December 20, 2023 positively.

Looking forward to your support for the national cause.

Warm regards
