

I don't run to add days to my life. I run to add life to my days.

Dear Parent

Greeting from OPBMS!

We are pleased to announce the second edition of Run for Health 2024 on Sunday, February 04, 2024. Team OPBMS is always at the forefront for taking such initiatives which bring about productive changes in the growth of society. Run for health is a campaign to raise health and fitness awareness amongst the community members. You are cordially invited to participate in the marathon along with your ward.
