

Dear Parents  
Greetings from OPBMS!

**"Success is not final, failure is not fatal: it is the courage to continue that counts." Winston Churchill**

Examination brings out success and failure. After the annual examination, it is high time now to reflect on the strategies opted, efforts and labour put in, by the students to achieve/ not able to achieve, the desired academic goal. As per the quote mentioned above, we need to learn from our mistakes and rectify the strategies opted to fulfill our aspirations and come out with flying colours to the satisfaction of all concerned and not to fall into the same pit again.

Keeping in mind the welfare of the students, the remedial classes for major subjects will begin for students of classes VI to X from tomorrow onwards during the first period. You are requested to ensure the regular attendance of your ward to make the program a success.

Time table of the remedial classes will be shared with you by the respective class in charges.

Looking forward to your cooperation.

Warm regards  
Sd/-
