

Dear Parents

Greetings from team OPBMS!

Technology Day is a momentous occasion where we celebrate the remarkable advancements that have shaped our world and continue to revolutionize the way we live, work, and connect with one another. It's a day to reflect on the journey of innovation, from groundbreaking discoveries to cutting-edge inventions, and to envision the boundless possibilities that lie ahead. We are thrilled to extend to you a cordial invitation to participate in our upcoming Technology Day Contest” Tech talk presentation”, an exciting event aimed at celebrating innovation, creativity and the transformative power of technology.

Theme: 'From Schools to Startups: Igniting Young Minds to Innovate'

Date: May 09, 2024

Tech talk presentation: Share your insights, discoveries, and innovative ideas in our Tech Talk Presentation. Whether it's a breakthrough in artificial intelligence, a new app development project, or a deep dive into cyber security, we welcome all topics related to technology.

Interested students should give names to the respective class in charge latest by May 07, 2024.

Warm regards

Sd/-
